Lord,

I long for a deeper and sustained relationship with your indwelling presence. Be in and abide in me as you lead me in your ways to fulfill your perfect purpose in my life. Search my heart and reveal my wicked ways. Renew a right spirit in me. Draw me closer to your heart.

I pray that your ever-present spirit continuously guide me. Light my way and help me to remain humble as I strive to live a life worthy of your calling, that it may be pleasing to God.

I ask for wisdom and strength to persevere through the distractions of this world. I pray your special blessing on and protection over my family as they likewise live a life that pleases you. Lead me to be the man you would have me be in all my relationships, especially with my wife, children, and family.

Possess me to keep my faith fervent and to sustain my reverence for you in all that I do. Allow your love to flow through me to others as I remain faithful to all you have commanded.

Please accept my gratefully sacrifice of my life, praise, treasures, and talents. I humbly ask for the discipline to be the steward you would have me be with of all that which you have blessed me.

Lead me not into temptation or allow me to stray from your grace and mercy. Keep me safe in your blessed arms from the entanglements of sin in this world as I seek your righteousness.

Lord you know not only the desires of heart but also my pressing temporal needs even before I ask... praying believing, Lord I lift my finances before you as a pressing need to be met as only you can in you time and according to you plan.

I pray that as others look at me that they instead see you as work to fulfill your perfect purpose through me.

I feel your calling and your desire to spend time with me and I am immensely humbled. I earnestly plead that I never ever fail to hear your voice or fail in loving reverent obedience.

Lord, forgive me of my wanderings and sins. Forgive me for my errant ways and selfish actions that have caused me to fail to respond to your plan for my life.

Thank you for your forgiveness and tender mercies... your willingness to redeem me and redirect me moment by moment... most of all, thank you for your never-ending love.

All these things I pray in the blessed name of your Son, Jesus Christ, my beloved Lord and Savior.

Amen and Amen

My wish for others today...

- May today there be peace and grace within.
- May they trust God that they are exactly where they are meant to be according to His perfect purpose and plan.
- May they not forget the infinite possibilities that are born of faith.
- May they use the gifts that they have received and pass on the love that has given them..
- May they be content knowing they are a child of God.
- Let God's presence settle into their bones, and allow their soul the freedom to sing, dance, praise, and love.
- His presence is there for every one of us.
