

**It's not about me...**

As others look at me,  
It's not about me...

What I do is a clue,  
It's not about me...

I have a calling,  
It's not about me...

Serving others is key,  
It's not about me...

I am free to be,  
It's not about me...

I am always on the go,  
It's not about me...

Journey and encounters are not mine,  
It's not about me...

There but for the Grace I go...  
It's not about me...

No magic, only majesty...  
It's not about me...

I simply trust and obey,  
For it's all about the Holy Trinity.

In Moments of:

Difficulty – Seek God,

Quiet - Worship God,

Pain – Trust God,

Joy – Praise God,

In Every Moment – Thank God.
