- Engineered organizational designs, board governance, and business process for 20+ startups and nonprofits.
- Delivered 48–50% YoY revenue growth in private LLC through executive consulting leadership.

PROFESSIONAL EXPERIENCE

Greater Atlanta Christian Chamber Coalition – Atlanta, GA | 2025 - Present

As non-profit organization's inaugural board member, chief financial officer, and board treasurer, established inaugural budgeting, financial analysis, and monthly reporting, while also heavily invested in relationship intelligence and membership growth.

Chief Executive Officer, NuMaxim LLC – Auburn, GA / Crossville, TN | 2024–Present

Established and leading a Christ-centered business advisory firm, driving corporate development and governance, board formation, startup operations, inaugural contracts, digital presence, financial management and strategic direction with a biblical foundation.

Founder and CEO, CWSymons LLC – Atlanta, GA | 1981–2023

Led 40+ years of consulting in strategy, operations, and systems. Served federal clients, including the CDC, and provided foundational support to faith-based startups. Specialized in legitimacy activities, systems services, ITSM, PROSCI-based change, and financial transparency.

Senior Consultant & Project Leader – CDC Projects | 2004–2023

Directed and delivered public health transformation efforts including COVID-19 systems, grants analysis, business systems analysis, Technology Business Management (TBM), help desk services and stakeholder alignment. Consistently exceeded contracted KPIs and client satisfaction benchmarks.

Systems Consultant – Engineering | 1978-2004

Through numerous contracting assignments, delivered systems programming, analysis, design, database support, business systems analysis, and help desk services. Key contributions were instrumental in securing multiple repeat engagements.

EDUCATION & CERTIFICATIONS

Associate of Arts, General Studies, 2 Year Degree – Phoenix College (1982)

FEMA NIMS Level 2 Certification – 2009

Federal Project Management Education – Best Practices and Compliance (2010)

PROSCI/ADKAR Education – Organizational Change Management (2013)

Scrum Fundamentals Certification (SFC) – 2024
