Introduction

A distinguished Change Management Executive and trusted advisor, influenced by a remarkable career in information systems and Organizational Change, delivering wisdom, integrity, and value. Recognized as a principled leader in qualitative operational and strategic organizational discovery. Known for creation and connection of transformative outcomes that drive operational excellence and organizational agility across multiple industries, Chris drives Strategy, Quality, Efficiency, and Innovation impacting Individuals, Organizations, Cultures, and Systems.

- Established in information systems, services, projects, and portfolios,
- Advancing strategic business operations, analytics, and advisory,
- Achieving and connecting transformative outcomes,
- Recognized for operational excellence and organizational agility.

With a lifelong interest in Leadership legacies, Chris is energized by organizations who have a passion for IT enabled organizational agility and operational excellence. He applies his career experience to bring order to chaos, with a dedication to transformative leadership, exceptional performance, sustainable change, and a robust return on investment (ROI). His approach to bringing order to chaos begins with quality relationships and continues with structured methodologies, comprehensive work plans, and personal accountability.

Recognized for transformative outcomes from analysis and resolution of complex business problems, Chris is a voice of reason and compassion in the face of change, with a passion for leaving a legacy of value. He helps people and organizations overcome their challenges and realize their full potential. Change, of any kind, must be from the inside out, one life at a time.

Summary

Chris has a positive, enduring legacy of extraordinarily rich and diverse roles and relationships, spanning multiple industries, most recently, Government, Public Health Informatics, Insurance, and Technology, earning their trust and confidence as their senior leader and advisor of choice. His clients have included American Electric Power (AEP), the State of Texas Health Services, Centers for Disease Control and Prevention (CDC), State Farm Insurance, American Express, Capital Group, United Bank of Switzerland, Anthem Blue Cross and Blue Shield; United Healthcare, Primera Healthcare, L.L.C., Lutheran Medical Center, TEKsystems, CDI Corporation, Papa John's Pizza, Covance Inc., Siemens Microelectronics and Current Incorporated. Chris also works with non-profits, non-government organizations, churches, community, and faith-based organizations.

Background

Chris comes from an American conservative Christian background. Originally from Phoenix Arizona, now resides in Auburn Georgia, and is currently in advanced studies at the school of hard knocks. He and his wife, college sweethearts, have 2 married adult children and are proud grandparents.
